FUTUREWORLD

Authorized
Reseller

Why buy from Futureworld?

We are Your Local Apple Expert

While Futureworld is a multinational Apple Reseller franchise, each local team consists of a group of carefully handpicked individuals who are not only experienced and qualified in all things Apple, but also insanely passionate about it. We believe in the products we offer.

We'll take care of your Mac

Futureworld is also the only Apple premium Service provider in Srilanka, with probably the most experienced and skilled team in the country, not to mention the most qualified. At our Service Points your Mac will be handled only by an Apple Certified Technician.

We don't just Sell Macs

Best of all, when you buy a Mac from Futureworld, you get all our expertise along with it assuring absolute peace-of-mind. Steve Jobs said, "the very best technology is invisible." So we'll help you focus on what you love to do, may it be business, photography, music, or what-have-you while we take care of your Mac

FUTUREWORLD
